

# Quality of Life Community Goals Framework

## Office of Strategic Partnerships

Jacksonville is a strong, civic-minded community that values partnerships and collaboration to create impact. With increasing community needs and stretched resources, communities must effectively leverage the human, fiscal, social, and political capital of municipalities, philanthropy, the public and private sectors to set goals, measure progress and improve our community.

### **Framework Purpose:**

- Comprehensive funding and partnership landscape, opportunities and gaps inventory, integrated objectives, and universal indicators.
- Co-creation of the strategy to strengthen the continuum of care system.
- Alignment of community priorities into a system of strategic outcomes to leverage all community assets for the benefit of its citizens.

The quality of life of our citizens is interdependent upon the achievement of the following to create emotional, physical, material, and social well-being:

- 1. Quality Places:** Create and maintain civic assets that activate a sense of community for the benefit of all.
- 2. Resilient Infrastructure and Natural Resources:** Promote resilient and connected infrastructure, support a robust transportation system, and ensure the sustainable use of natural resources.
- 3. Vibrant and Thriving Neighborhoods:** Enhance neighborhoods by advancing revitalization strategies, ensuring housing affordability, and supporting smart development.
- 4. Innovation and Economic Development:** Foster innovation, promote economic stability and growth, and invest in a skilled and prepared workforce.
- 5. Equitable and Shared Prosperity:** Achieve a path to prosperity for all by reducing barriers to access and promoting equality and opportunity.
- 6. Economic Mobility:** Foster economic opportunity that leads to independence and self-sufficiency.
- 7. Quality Education:** Provide high-quality, world-class education and promote learning opportunities.
- 8. Health and Wellness:** Ensure healthy lives and promote well-being for all.
- 9. Food Security and Nutrition:** Achieve food security and improve nutrition outcomes.
- 10. Public Safety:** Ensure a safe, healthy community and support high-quality emergency preparedness, response, and assistance services.
